CLEAN-IT

Specially formulated biodegradable cleaner which will chemically remove dirt and oil from most surfaces

Product Description

CLEAN-IT is a specially formulated biodegradable cleaner which will chemically remove dirt and oil from most surfaces due to a unique combination of surface active agents, sequestrants and alkali builders.

Typical Applications

Can be used indoors on hard surfaces and floors and because CLEAN-IT does not contain harsh fumes or chemicals it makes it safe to use in confined spaces.

CLEAN-IT is an ideal outdoor cleaner which will clean mould & algae, dirt, grease and grime from outdoor surfaces making it a perfect choice for cleaning.

Application Features

- Easy to use
- Effective at high dilutions (up to 1 part CLEAN-IT to 200 parts water)
- May be used through a pressure washer
- Will not promote metal corrosion
- Effective either hot or cold
- Biodegradable
- Removes oil and grime easily
- Contains 'rinse off' additives

General Information

For safe handling of this product consult the Material Safety Data Sheet.

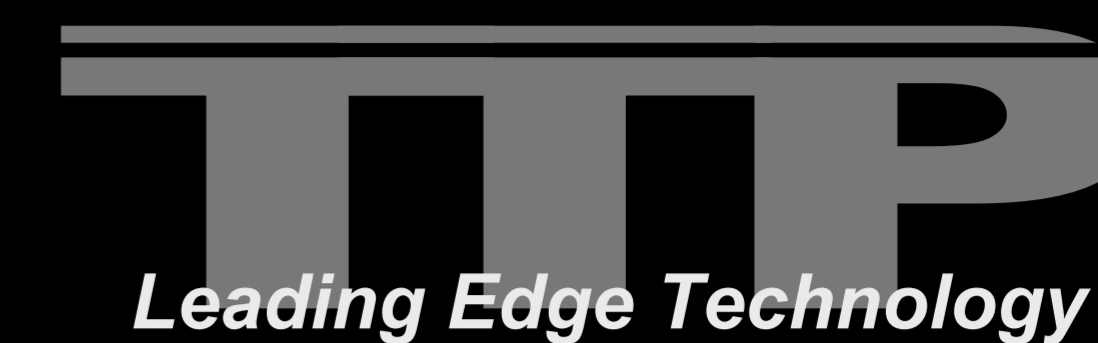

Direction Of Use

See instructions for dilution rates
